Delicious Ideas for Your First 28 Days

If you're ready to start your first month on Nutrisystem[®], you've come to the right place! This Meal Plan provides detailed, day-to-day examples of meals, snacks, add-ins and recipes you can enjoy during your first 28 days on the program.

Feel free to make this Meal Plan your own—just be sure to follow the Nutrisystem program guidelines. As you begin to explore the following meal suggestions, please be sure to keep a couple things in mind:

You can always mix-and-match your Nutrisystem meals.

For example, any Nutrisystem lunch listed in this guide can be swapped for any other Nutrisystem lunch you like. These are just some suggestions!

Extra add-ins are required if you have 100+ lbs to lose.

Stick to these guidelines:

Days 1-7: Add **2 PowerFuels** each day.

Days 8+: Follow personalized plan as outlined.

The **Uniquely Yours Max+ plan with "Most Days Covered"** delivers enough Nutrisystem breakfasts, lunches, dinners and snacks to fuel your weight loss **5 days a week**. However, we recommend spreading your Nutrisystem meals throughout each week, and rounding out each week with your own healthy meals.
